Approval of Minutes: March meeting minutes approved without correction by consensus.

**OLD BUSINESS**

**Kohl's American Cup**

Focus is on recruiting teams that are within a 100 mile radius of Northfield. Teams that have participated in the last two years will be getting a phone call along with an email that will be going out to all Rec teams. Last year a 1/3 of the teams had registered after the deadline. An idea of having a skills area was brought up.

**Rec Plus**

Scott is getting a lot of questions on rec plus teams trying to call and find other rec plus teams to play. There was a discussion on better ways to get the rec plus teams in contact with each other.

**Grant Update**

As a way to provide information on the grant, discussion took place on possibly holding district rec meetings. This would be a way to provide clubs with info on how to apply for the grant and a way to pull other rec representatives together. There needs to be more items on the agenda and one idea was an online coaches training.

**Survey**

At next meeting, work on reviewing the older survey and review what questions were asked at that time. The goal of the survey is to find out what rec programs are in need of and act as a way to bridge the gap between their needs and what mysa can offer. It can also serve a purpose to find out what is going on at the community level and how each club's community plays a role.
