As the parent, I understand that my child is the overrostered player registered on this team. I am also aware that U11/12 Teams MUST declare which 14 players will comprise the team for purposes of any festival or invitational tournament prior to the start of the event. These 14 players will be the only ones that will be allowed to play in the game. This is the responsibility of the registered adult associated with the team.

Table with 4 columns: Player's Name (please print), Date of Birth, Parent's Name, Parent's Signature. The signature column contains the word 'REQUIRED' in large, light letters.
