Headquarters: MYSA will have tournament headquarters in the St. Ben's Athletic Fields building, located next to the stadium. There is no need to check-in at headquarters as check-in will be completed on the field, but we will be available at HQ for questions and concerns.

Schedules and Standings are available here: [Schedule and Standings](#). Remember that schedules are subject to change for weather, facility or referee related issues, or other reasons as determined by MYSA. Teams are responsible to monitor the schedules on their Stack Sports account for changes, and should also be on alert for email announcements related to weather or other unforeseen circumstances.

Rosters: ALL ROSTERS MUST BE COMPLETED IN YOUR TOURNAMENT APPLICATION. We prefer to use digital player passes during the tournament, but we will accept printed player passes to use as pictures for the players. Nevertheless, rosters must be set in the tournament application with jersey numbers for each player before the start of the tournament. There will not be onsite help for you to complete this at the game, and delay in check-in could cause your team to forfeit your first game should your rosters not be entered.
